

20th June 2011.

Mrs. Natarsha Myall,
Business Development Manager,
Chubb Fire and Security,
87 - 105 Racecourse Road,
North Melbourne Vic. 3051.

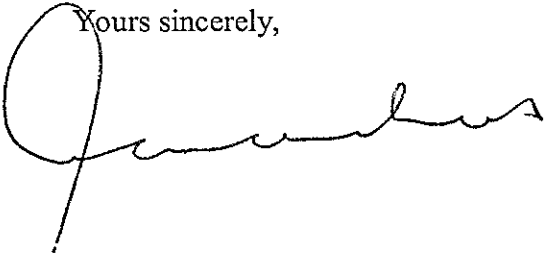

Dear Natarsha,

Recently you assisted Barbara and I in selecting the Videofied Security System for our holiday house in South Gippsland.

The security of our old and much loved house which contains a lot of our cherished memories is paramount.

The Videofied Security System detected and prevented an attempted break in the first week of installation and for that we are grateful to you and the team at Chubb.

Yours sincerely,

Chris and Barbara Tsarouchas,

Natarsha,
Thanks also for your pleasant
memories and the time spent
with us at our old home
Regards -
Chris & Barbara
